

Dear Friends,

With this letter we would like to invite you to participate in an encompassing exhibition at the Goetheanum. Our aim is to gain a substantial overview of the work of contemporary artists creating out of anthroposophical inspiration and the accompanying meetings around the different aspects of artistic expression.

At the same time we would like to inaugurate an auction to support the artist as well as the work of the visual arts section. 60% of the outcome would be passed on to the section for research and development projects and 40% for the artist.

The exhibition will open on December 7th in the Schreinereisaal at the Goetheanum and close on December 9th 2018.

Please contribute two or three smaller or larger, recent (not older than three years) examples of your work (for paintings max. DinA0 and sculptures after consultation). If necessary, the section can help with the costs for transport etc, (please contact the section secretariat).

Please let us know before August 30th 2018.
If you would like to participate:

(yes) and how many works would be able to provide: works

or

(no) I'm afraid I can't participate or I am not interested in participating in the exhibition.

We will send you detailed information in the autumn: concerning the exhibition, the programme for the auction, guided tours to the Art-Archives in the vicinity and the Goetheanum, and about colloquiums concerned with art and music etc.

Our homepage: www.sbk.goetheanum.ch and the Wochenschrift „das Goetheanum“ will do its best to keep you up to date.

We look forward to hearing from you!
With warm regards from Dornach
